

IEEE CIBCB 2025

2025 IEEE Conference on Computational Intelligence
in Bioinformatics and Computational Biology

National Cheng Kung University, Tainan, Taiwan

August 20-22, 2025

CALL FOR SPECIAL SESSIONS

AI Drives Biomedical, Bioinformatics and Healthcare

The 2025 IEEE Conference on Computational Intelligence in Bioinformatics and Computational Biology (CIBCB 2025), organized by the Institute of Electrical and Electronics Engineers (IEEE) every year, will be held August 20-22, 2025, at National Cheng Kung University, Tainan, Taiwan. The conference theme for this year is "AI Drives Biomedical, Bioinformatics and Healthcare." We invite all experienced authors to take part in the conference.

We would like to encourage you organize special sessions on related topics. If you are interested in organizing a Special Session (SS), please submit your SS proposal by **Jan 10, 2025, to I-Fang Chung (ifchung@nycu.edu.tw), Sheng-Fu Liang (sfliang@mail.ncku.edu.tw) and Shandar Ahmad (shandar@jnu.ac.in).**

The proposal of the special session should include:

- **the title of the special session and a brief overview of the session's theme.**
- **the organizers and brief biographies of the organizers**

The SS organizers will be responsible for soliciting papers for the special session. All the papers for the session must be submitted through the conference submission system by the deadline of March 10, 2025, under the special session title. The SS organizers will be responsible for the paper review process, and sharing conference news updates with all the authors in the SS.

If you have any questions, please feel free to contact the Special Session Chairs, I-Fang Chung (ifchung@nycu.edu.tw), Sheng-Fu Liang (sfliang@mail.ncku.edu.tw) and Shandar Ahmad (shandar@jnu.ac.in).
